To whom it may concern:

As CIO with the Texas Department of Transportation in 2011 to my current role as CIO with Clark County, Nevada, I have relied on the experience and aptitude of the members of the Kaepfel Consulting team to augment my IT staff. I have had the opportunity to work with the Kaepfel Team for the past 4 years on multiple engagements.

Scott Kaepfel leads a team of Information Technology professionals and has consistently provided professionals that seem always at the ready to provide high quality service. They have consistently provided me with teams of qualified professionals including roles such as Project Management, Enterprise Architects and Analysts.

I recommend Kaepfel Consulting as an exceptional vendor who will not fall short of adding value to your team as they provide you with high quality staff to augment your team and provide world class services.

If you would like additional information about Kaepfel Consulting, please contact me directly and I would be glad to recommend Kaepfel Consulting.

Sincerely,
